Dear Mr. Uhling:

On July 27, 2011, the U.S. Environmental Protection Agency (EPA) inspected the Simplot Land and Livestock Company (Simplot) facility. The purpose of this inspection was to determine Simplot's compliance with the Modified Compliance Order, Docket No. CWA-10-2010-0146 (Modified Order). EPA has determined that Simplot is in compliance with the Modified Order. Consequently, pursuant to Paragraph 19 of the Modified Order, EPA is hereby terminating the Modified Order.
